To W. L. Garrison, Esq.

at the "Riverside Press"

Cambridge, (Mass.)

Leicester, Oct. 29/74

I am very much obliged to you for the 25 Circulars; — which I found here on returning home this eve'g. — I have just been sending off 10 of them; — to Boston, 3; to Cambridge 2; to Brookline 1; to Worcester 4.

The discovery of the "G. of N. E." was indeed fortunate. — I do not remember ever to have seen so much as a single number of it.

Will not Wm. Goodell have a deal of old A. S. literature? I would advise a Circular to him, if you know his address. — S. Hosley may have a lot of her father's. — Mary Grew must have a heap. S. Pugh, also.

Yr. L. M.
